

# THEATER FOR YOUTH

## Ticket Policies

- Reservations are required for all Theater for Youth performances. Submit your order online at [pitchmethis.com/theaterforyouth](http://pitchmethis.com/theaterforyouth) or by calling PMT Productions at (832) 516-9167.
- Everyone entering the theater must have a ticket, including all teachers and parent chaperones.
- All parents, chaperones, and teachers must have a school-issued name tag in order to enter the theater. If a chaperone does not have a nametag, the contact person must fill one out for the parent in the lobby. No adults without nametags will be admitted to the performance.
- Theater for Youth performances are not public performances. All tickets (including accompanying parents) must be arranged through the school. Individual tickets are not available for these performances.
- Submission of the online Reservation Request form is not a guarantee of your order. A PMT Productions staff member will contact you to confirm your order. After contact has been made, an estimate will be emailed to the contact person for their review. Estimates should be accepted via email within one (1) week to confirm your reservation. Reservations are not secured until the estimate has been accepted.
- Schools may decrease the number of tickets up to four (4) weeks before the performance and receive a refund. There are no price changes after that date or at the door. No refunds are given for absent students. If this date falls on or near a school holiday, you are still responsible for confirming the final number of tickets. Additional tickets are subject to availability.
- Payment is due three (3) weeks before the performance date. Payment can be made via credit card or check and should be sent with sufficient time to arrive by the three-week deadline. Checks should be made payable to PMT Productions and can be mailed to:

**PMT YAS! Studio**  
**3800 FM 528 Road, Suite 104**  
**Friendswood, Texas 77546**

- Schools paying by check may submit checks from the school district, the school, the PTA, the classroom teacher, or a parent.
- All groups of fifteen (15) or under are required to complete payment at the time of booking confirmation.
- If the school reserves a performance within the three-week deadline, payment will be due at the time of booking.
- Parent chaperones and students who attend the performance are the responsibility of the school. Any problems that may arise will be addressed to the school representative only.
- If a performance is cancelled due to inclement weather or any “act of God,” then a performance credit will be provided for an alternate show. There are no refunds for performances cancelled due to inclement weather or an “act of God.”
